Dear Mr. Weisberg —

Your appearance on the HEADY-BURKE-SHOW was the greatest! We agree with you wholeheartedly (100%) We know you have made intensive, extensive & INTELLIGENT research on these Reports — & I am sure millions of people here in this Country & around the World, share your views! Don't give a HOOT for those "SHIFTY" lawyers! Shall look forward to reading your book —

Sincerely, H. Hartigan.
